

Before Your Sedation Procedure

Follow these guidelines prior to your procedure to help ensure your safety and successful treatment.

- 1

You may have **NO FOOD OR DRINK** for 8 hours preceding for your appointment. This is very important to adhere to. Failure to follow this directive could be life-threatening.
- 2

You need to have someone drive you home from your appointment and also stay with you for a couple of hours following your discharge from our office.
- 3

If you wear contact lenses, do not wear them. You may wear glasses.
- 4

If you have asthma, please bring your inhaler.
- 4

If you take medication on a daily basis, you may take your medication with a sip of water.
- 4

Please skip all blood thinning medications including Aspirin as well as all Diabetes related medications until further instruction.
- 4

Wear loose, comfortable clothing with sleeves that are easy to push up.
- 4

No shellac and no finger nail polish!
